Section 3 – External Auditor Report and Certificate 2021/22

In respect of **Terrington St Clement Parish Council - NO0455**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor report 2021/22

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has submitted its AGAR and supporting documentation prior to 30 September 2022; however, we have not been able to complete our review work in time to enable the smaller authority to publish the required documentation in line with statutory requirements. Once we have completed our review a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.

Other matters not affecting our opinion which we draw to the attention of the authority:

Please see above.

3 External auditor certificate 2021/22

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022

We do not certify completion because:

We have not been able to complete our review work in time to enable the smaller authority to publish the required documentation in line with statutory requirements.

Final External Auditor Report and Certificate 2021/22 in respect of Terrington St Clement Parish Council NO0455

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2021/22

On 28 September 2022, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2022. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 9 has been incorrectly completed. The smaller authority is sole managing trustee for the Poores or Fuel Allotment Charity. The annual return for the Charity for the year ended 31 March 2021 was submitted late and as a result the answer to this Assertion should have been 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2022/23 for the exercise of public rights, since the correct information was not published on a website as well as a noticeboard. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2022/23 and ensure that it makes proper provision for the exercise of public rights during 2023/24.

We were unable to confirm that the external auditor interim certificate for 2021/22, the 2021/22 AGAR and public rights notice or any Minutes for 2022 were published on the smaller authority's website. The smaller authority has confirmed that while the documents were uploaded, they were subsequently inaccessible to the public, the smaller authority being unaware of this issue until it was raised by the internal auditor. If this has not already been done, the smaller authority should ensure that this is resolved as soon as possible so that all required documentation is published in a timely manner, in accordance with any deadlines required, in a way that is accessible to the public. In light of this issue, the smaller authority should consider its response to Assertion 3 on the 2022/23 AGAR.

External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
